6. VTRANS UPDATE

Robinson and Nummy presented VTrans updates, including priority list of projects and an overview of the agency. Robinson stated that VTrans views the Rutland Airport Committee as the “working group” and respects the work and vision of the Committee. VTrans offered

what they can do better, to bridge the Committee with projects, funding, and priorities with the Federal Aviation Administration. Nummy also provided an overview of Capitol Improvement Plan, which is a 5-year plan, that focuses on critical safety and paving and upgrades to runway 19 and aprons. The agency is required to do safety/critical first then revenue generating projects second. Rutland Airport is nearly done all safety/critical projects. VTrans did confirm that a private/public partnerships would be supported, especially for a study. The Committee discussed how to better engaged with the agency and came up with a shortlist: VTrans will solicit yearly goals from Rutland Airport Committee, focus on one project at a time, Committee to participate in the annual CIP meeting, and Committee will consolidate feedback and communications to the agency.

7. HANGER & TERMINAL DEVELOPMENT DISCUSSION

Committee discussed preparing for the NBRC Timber 4 Transit pre-application with Town of Clarendon. No action taken.
